

Fabric Grading Sheet

2016-2017

---

## SIXINCH Graded-In Textile Program

SIXINCH is pleased to offer a wide selection of graded-in textiles from suppliers well respected in the industry including Camira, CF Stinson, Knoll Textiles, Maharam, Mayer Fabrics, Momentum and Pallas. All textiles listed may not be suitable for tailoring on all SIXINCH designs. Once a textile has been selected a memo sample may be required to complete our textile approval process for the design intended. The SIXINCH customer service team can help you determine if a memo sample is required for your textile and design selections.

Lead-times on Graded-In textiles vary based on inventory at the time of order placement. Due to this, SIXINCH lead-times may need to be adjusted.

SIXINCH has assigned a grade letter to each textile pattern. Designs that are available in textiles will have graded list pricing in the SIXINCH price list. Grades that are listed as "CALL" require you to contact SIXINCH customer service for a quote.

Memo samples can be ordered through our textile partners at the following links.
